SUMMARY

Passionate software developer with expertise in Python, Django, and RESTful APIs. Strong problem-solving abilities and a deep understanding of data structures, algorithms, and backend development. Proficient in both front-end and back-end technologies, with experience in creating robust, scalable, and maintainable software solutions. Eager to learn and adapt to new technologies in a dynamic environment.

EDUCATION

- **Master of Computer Application**, MPNMJ Engineering College, Chennimalai, Erode (2021-2023, 70%)

- **B.Sc Information Technology**, RVS College of Arts & Science, Sulur, Coimbatore (2017-2020, 62.57%)

- **Higher Secondary Certificate**, Government Higher Secondary School, Kangayam (2016-2017, 70.3%)

PROJECT

Student Details Management CRUD Web App using Django

Project Link: [GitHub](#)

- Developed a Django-based web application for managing student records with full CRUD functionality.

- Utilized Django ORM for efficient database operations and integrated front-end technologies like HTML, CSS, and Django templating.

- Demonstrated proficiency in backend development, RESTful API integration, and RDBMS (MySQL).

SKILL

- **Programming Languages:** Python
- **Web Development:** HTML5, CSS3, JavaScript
- **Frameworks:** Django
- **Databases:** MySQL
- **Technologies:** RESTful APIs, AWS (basicknowledge), Git
- **Core Competencies:** Data Structures and Algorithms, Object-Oriented Programming, Problem Solving, Communication

CERTIFICATIONS

- **Python Course Certificate** - EduPrep, April 2023

- **MongoDB Developer and Administrator** - Simplilearn, March 2023

- **Engineering Equity Hackathon Participation** - Virtusa, March 2023

LANGUAGE

- Tamil
- English
